

### **10-1995 [H-1401] Tiger - wooden board with Fidelity Travel Master**

In mijn zoektocht naar eigenaardige combinaties kwam ik de onderstaande computer tegen. Wie zou er een dergelijke schaakcomputer gekocht en nog steeds in zijn bezit hebben?

Tiger and Board

The Tiger which can be used on its own as a portable with a disc pieces provided, is supplied with a quality wood board as shown. Making this a multipurpose combination. Board contains drawer which can house the Tiger computer and pieces. Use the board for our own games, or when playing against the computer. The Fidelity Travel Master 'converted' to an easy-to-use calculator style. Program almost identical to Travel Champion (1871 Elo).
