

12-1980 [O-2301] Applied Concepts - The Time Tote (quartz clock)

Applied Concepts kwam nu eens een keer niet met een schaakcomputer, maar met een klein klokje waarvan het bestaan vrij onbekend is! De verschijningsdatum is niet te achterhalen, maar december '80 komt aardig in de buurt. Een hebbedingetje voor wie vaak onderweg was.

the TIME TOTE

A QUARTZ CLOCK THAT GOES ANYWHERE

This highly precision time piece can be taken with you anywhere. Its compact size (3" x 1 3/4" x 3/8") makes it perfectly at home in your pocket, purse or briefcase.

A swing-out stand gives the Time Tote lodging on your desk, workbench, kitchen counter, or your night-stand.

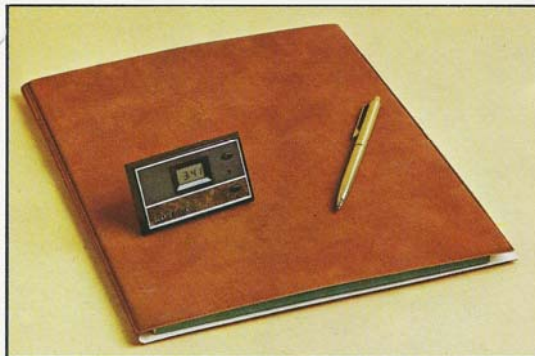

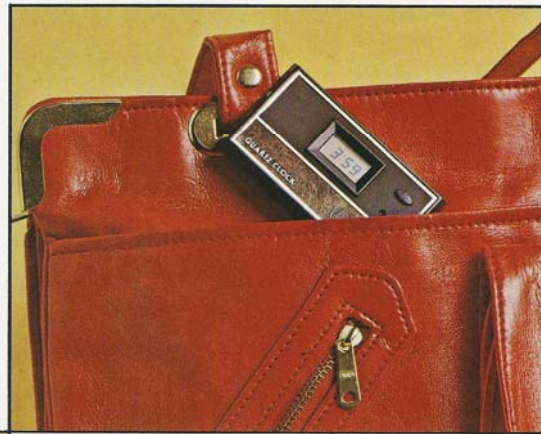

By using the magnetic mounting accessory, the Time Tote can be mounted on the dash-board of your car, truck, boat, or plane.

The Time Tote is a perfect gift for the graduating senior, the jogger, or any person on-the-go.

The Time Tote is available in private label, so your company can delight its customers at Christmas with your very own personalized clock face.

Features of the Time Tote are:

- 5 Functions — Month, Date, Hours, Minutes, Seconds
- Selectable Alternating Time-Date Mode
- A/M - P/M Display
- 12 Hour Format
- 4 Year Calendar
- Night Light

- Magnetic Mount for Car, Truck, Boat, Plane
- Fold-Out Stand for Desk, Table, Counter-Top, etc.
- Two 1.5v Standard Watch Batteries with Battery Life of 1 Year
- Futuristic Design For Multiple Uses
